

In a clinical lecture...

Please Dr, he complains about the aesthetics in his central incisor. I proposed 32 veneers in the "bianco lavandino" shade.

Hi? Where did you get that from?

Uh ... from Dr. Playbo's instagram, of course!

Who???

...He has 1.5 billion followers

...He treats several bloggers ...

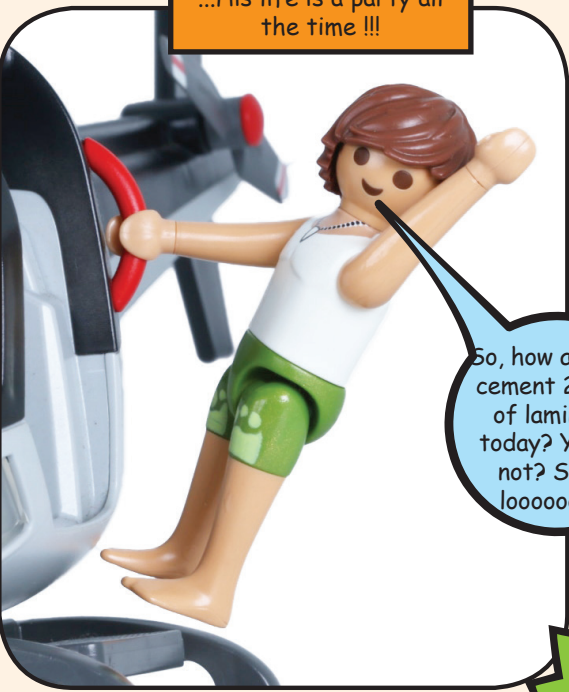

...Dr. Playbo is awesome !!!!

...It's just celebrity!

...His life is a party all the time !!!

So, how about to cement 20 sets of laminates today? You will not? Sorry, looooooser!

...They have even developed a color shade scale for him!

I love you lavandino!

Here is all success! And you? #dentalloooooosers

Humm, ok... But perhaps we could propose to replace just the restoration that bothers him?

...His cases are all TOPZEIRA!

Speak Mississippi

Looooooser.
